

The 2020 Census brings funding to our community.

Census Counts Matter

They are used for:

- Funding for schools, healthcare, nutrition assistance and public safety
- Businesses to decide where to build factories, offices, and stores, which create jobs
- Education
- School lunch programs
- Head Start programs
- Women, Infants, and Children (WIC)
- Supplemental Nutrition Assistance Program (SNAP)
- Transportation

Want to have a voice in shaping the future? Complete the census and help secure our community's future.

It's about fair representation. When you fill out the census form, you help make sure we get fair representation in Congress and state and local government.

What you need to know.

The 2020 Census counts everyone in the country. Data collected ensures that our community gets its fair share of federal funds for important healthcare, housing, education, nutrition and public safety programs.

Data collection begins March 2020 and continues through August 2020. You will receive a letter with instructions for completing the census beginning in March 2020.

Taking the census is safe, confidential and critical to your future.

If you need help or access to a computer, visit any public library in Johnson County or call United Way 2-1-1. Census forms are available in 13 languages and language guides (video and print) and are available in 59 non-English languages as well as American Sign Language, braille and large print.

People Who Rent Count! Renters respond by using the address where you are living or staying on April 1, 2020.

How can I respond to the census?

1. Online, using the internet or a smartphone.
2. Over the telephone, by calling the census call center listed on the census letter.
3. Using a paper form, or
4. By responding to a census worker at your door.
